

Introducing **Music for Little Mozarts** "Meet the Music Friends" program: Five **keyboard-based**, introductory music lessons for ages 4 - 6

This is an introduction to music and the **piano** consisting of *five* lessons that include singing, listening, movement, rhythm activities, and beginning activities at the keyboard. The lessons centre around the adventures of Beethoven Bear and Mozart Mouse, characters who live in the piano classroom of a music store, as they learn about music. After completing five lessons, students should begin Level One of the Music for Little Mozarts program.

No keyboard at home is needed for this introductory course, so go ahead and invite your friends, even if they don't have a piano at home. Your child will love making music with other children his/her age! These **parent participation** classes are limited to 6 children. Teacher Celeste-tina Hernandez is excited to bring this class to Sardis! Please call **778-808-1830** for more information or to register. Price: **Only \$100** for all 5 classes plus the (minimal) cost of materials. **Classes are every Thursday from 5:00 – 5:45PM in our spacious, inviting studio.**
